

## INVITATION FOR BIDS

REPUBLIC OF TURKEY  
Istanbul Special Provincial Administration  
Istanbul Project Coordination Unit  
Istanbul Seismic Risk Mitigation and Emergency Preparedness Project (ISMEP)

### “RECONSTRUCTION WORK OF VOCATIONAL EDUCATIONAL SCHOOLS” (IDB-WB4-YAPIM-03)

1. This invitation for bids follows the general procurement notice for this project that appeared in *Development Business* No. 674 dated May 16, 2006; in the Official Journal No OJS 84 dated April 30, 2008, No OJS S64 dated April 01, 2011 and in *Development Business* No. 796 dated May 16, 2011.
2. The Republic of Turkey has applied for financing from the Islamic Development Bank (ISDB) towards the cost Istanbul Seismic Risk Mitigation and Emergency Preparedness Project (ISMEP), and it intends to apply part of the proceeds of this financing to payments under the contract for Reconstruction Work of Vocational Educational Schools (IDB-WB4-YAPIM-03).
3. Republic of Turkey, Istanbul Special Provincial Administration, Istanbul Project Coordination Unit (PCU), now invites sealed Bids from eligible Bidders for the Reconstruction Work of Vocational Educational Schools (IDB-WB4-YAPIM-03) under a single contract package.

(IDB-WB4-YAPIM-03)				
No	City	District	Name-Adress of Schools	Estimated Closed Area(m <sup>2</sup> )
1	Istanbul	Güngören	Güngören Industrial Vocational HighSchool	9.574
2	Istanbul	Zeytinburnu	100. Yıl TradeVocational High Schools	10.706
3	Istanbul	Bayrampaşa	İnönü Anatolian Technical and Industrial Vocational High School	7.640

The Buildings will have total construction area of approximately 27.920, m<sup>2</sup>.

The Buildings will be built under a single contract package and the construction period will be 330 calendar days.

Bidding will be conducted through international competitive bidding limited to IDB Member Countries procedures with the Post-qualification Method specified in IDB's Guidelines for Procurement under IDB Financing, dated May 2009 and is open to all bidders from eligible source countries as defined in the Guidelines that meets the minimum qualification criteria specified below.

4. Minimum qualification criteria are:

- I. **Minimum average annual turnover in construction work of 60.000.000 TL** calculated as the average of total certified payments certified by Certified (Sworn-in) Public Accountant and received for construction works in progress or completed, within the last 3 (three) years (2009-2010, and 2011), for which the annual turnovers for corresponding years should be brought to 2012 basis by using Ministry of Public Works certificate coefficients. Annual turnovers shall be verified by the documents (invoices and progress payment certificates signed by Certified Public Accountant should be added) certified by Certified (Sworn-in) Public Accountant or Tax Authority. If, the Bidder has been awarded or has an on-going contract for a construction contract with IPCU for which the provisional acceptance has not yet been issued, the sum of such contract prices must be subtracted from the sum of the-last-three-years-annual turnover in construction work. As a result of this reduction, if the average annual turnover amount for the last three years has become less than the requested minimum average annual turnover amount above, the Bidder cannot be qualified.
- II. Successful experience performed in accordance with the contract and technical specifications for public or private sector either in Turkey or abroad as a prime contractor, or a joint venture partner (prime contractor), within last 5 (five) years (2007-2011) of having satisfactorily completed works of similar nature and complexity (all works under Group B/III) as follows;
- Construction of a **new building with at least 45.000 m2 enclosed construction area** (calculated as sum of closed construction area) **under one contract.**

Successful completion of the works should be evidenced by the work completion certificates (for a natural person, or a legal entity other than a public authority or organizations in public capacity) taken from relevant institution or organization. If the construction area is located within the municipal borders or adjacent area, the certificates must be approved by the relevant municipality otherwise certificates must be approved by the relevant Provincial Directorate of Public Works and Settlement. Works completion certificates taken up to the bid submission date will also be accepted. Work status certificates will not be accepted.

- III. The Bidder must demonstrate and prove at a minimum **12.5000.000 TL** available cash credit line in a bank. In case the Bidder has been awarded or has an on-going contract for a construction contract with IPCU for which the provisional acceptance has not yet been issued, the Bidder must have a line of cash credit in the total sum of requested lines of bank cash credit at the bidding time of such contracts plus the requested amount as minimum financial requirement by this Bid. In case the Bidder performing such contract (s) within the structure of a joint venture for IPCU, the financial value of said contract should be taken as the proportionate amount of the partnership share of the Bidder in such Joint Venture
- IV. In the form of Joint Ventures, The Bidder shall submit The Joint Venture Declaration and meet the qualification criteria as well as other documentation

and conditions given by the Invitation for Bids. For a Joint Venture to be qualified; Leading Partner (Partner in Charge) shall meet at least 50% of the minimum criteria specified in Items I, II, and III specified above, while the each of the other partners shall meet at least 25 % of the minimum criteria specified in Item I, II, and III above. However, all partners must satisfy collectively %100 of each qualification criteria.

- V. The Bidder shall provide required number of key personnel with appropriate experience and all necessary equipments for the satisfactory completion of the Works.
  - VI. The Bidder must submit a declaration demonstrating that he/she is not prohibited from participation to the bids.
  - VII. The Bidder shall provide accurate information on any current or past litigation or arbitration resulting from contracts completed, terminated, or under execution by him over the past 5 (five) years.
  - VII. In the form of Joint Ventures, The Joint Venture Declaration and other documentation given by the Invitation for Bids
