

**DIGITAL DMR TIER III SIMULCAST TRUNK WIDE AREA RADIO SYSTEM FOR
ISTANBUL PROVINCIAL DISASTER AND EMERGENCY MANAGEMENT
DIRECTORATE**

(AF-AIIB-GA1.1)

ADDENDUM NO.2

INTRODUCTION

This addendum is issued to all tenderers who procured the Tendering Documents for the **Procurement of Digital DMR Tier III Simulcast Trunk Wide Area Radio System for Istanbul Provincial Disaster and Emergency Management Directorate** outlined above. The original Tendering Documents were issued on 12th of September, 2024.

The provision of this Addendum is being issued for the following purposes:

1. To amend and supersede certain provisions of the original documents which have become necessary as a result of changing circumstances or additional information being available from the Client.
2. To provide clarification on certain aspects of the original documents issued to tenderers.

The Provisions in respect of both of these headings are given hereunder:

REPLIES TO QUERIES NO: 2

The provisions of this "Replies to Queries and Clarifications" are being issued to provide necessary clarifications on certain aspects of the Tender Document in response to the queries or clarification requests sent by the Tenderers in writing.

No.	Tendering Doc. Page No.	Tendering Doc. Ref. Clause	Query or Clarification Requested by the Tenderers	Reply of the Client	Amendment in the Tendering document is required YES or NO (If "YES" Provide Amendment Number)
1	8, 41	Specific Procurement Notice (SPN) Clause No.6 ITT 22.1 ITT 25.1	We request an additional period of 3 weeks (21 days) to obtain the necessary overseas work completion certificates with Apostille certification.	Please see Amendment No.1-2-3	YES
2	92	Section VII - Schedule of Requirements - Sub-Clause No.6.6	We do recommend to point out specification of servers which will be provided by Contractor.	Please see Amendment No.4	YES
3	93	Section VII - Schedule of Requirements - Sub-Clause No.7.5	According to clause 6.6- (Contractor' Responsibilities) Providing Servers of Dispatching and Voice recording system is under responsibility of Contractor". But we noticed that servers will be provided by Purchaser at amendment you officially published. We think that it is a conflict, we kindly recommend you to leave as it initially was and remove specification from this clause and clause 6.6 instead of it.	Please see Amendment No.5	YES
4	91, 93	Section VII - Schedule of Requirements	About articles 5.9 and 7.1, please clarify who is responsible for providing the cabinets.	The cabinets where the equipment will be installed at the relay sites will be provided by Istanbul AFAD.	NO

		ts - Sub-Clause No.5.9 & 7.1			
5	103	Section VII - Schedule of Requirements - Sub-Clause No.17.13	About article 17.13, please confirm that each base station site shall be equipped with 2 (two) base station antennas (described in article 18) and 2 (two) sets of RF cabling (described in article 19).	It is clearly stated in the Tender Document.	NO
6	48	Section III- Evaluation and Qualification Criteria, 3.1, Qualification Criteria (ITT 37.1) a (ii)	For companies that will submit a bid as a consortium of two firms, is it sufficient for one of the consortium members to present an overseas work completion certificate? Or is a separate work completion certificate required from each of the two consortium partners?	It is clearly stated in the Tender Document.	NO
7	32	ITT 37.2	<p>Pursuant to clause “37.2 The determination shall be based upon an examination of the documentary evidence of the Tenderer’s qualifications submitted by the Tenderer, pursuant to ITT 17. The determination shall not take into consideration the qualifications of other firms such as the Tenderer’s subsidiaries, parent entities, affiliates, subcontractors (other than specialized subcontractors if permitted in the Tender Document), or any other firm(s) different from the Tenderer,”</p> <p>For a consortium member based in Turkey, the completion certificate to be submitted will be from the overseas parent company that holds 100% ownership of the foreign firm, which in turn owns 99.9% of the consortium member based in Turkey.</p> <p>Additionally, the parent company providing the completion certificate will act as a</p>	It is clearly stated in the Tender Document.	NO

			<p>subcontractor, in the scope of this tender, to the consortium member based in Turkey.</p> <p>In this case, would submitting the completion certificate, with an apostille certification, meet the requirements for a valid completion certificate?</p>		
8	40	<p>Section II – Tender Data Sheet (TDS) ITT 19.1</p>	<p>For companies entering the tender as a consortium, is it sufficient for one consortium member to provide the 160,000 USD bid bond and tender guarantee, or is it required from each consortium member individually? If required from each member, we request information on the percentage of the guarantee required from each.</p>	<p>If the Supplier is a joint venture, consortium or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract. The Tender Security of a JV or consortium must be in the name of the JV or consortium that submits the Tender.</p>	NO
